STUDENT HANDBOOK

The *CMS Student Handbook* is designed to provide you with specific information on policies and procedures for the school community. We are committed to providing a safe, structured and stimulating school setting for our students.

Please take a few minutes to go over the rules in the *Handbook* with your child. Be sure to read the "Student Directory Information" section on page 6. Our major goal is to provide students with the best and most appropriate educational opportunities possible. We expect students to share our goal by actively participating in the learning process in a responsible manner.

- I have received and shared with my child the CMS Student Handbook.
