

CLASS OFFERINGS FOR CORVALLIS DRIVER EDUCATION

Students currently enrolled in Corvallis School District:

Driver Education is offered during the regular school day as a semester class for both 1st and 2nd semesters. Class may be requested through Infinite Campus when you are scheduling classes or when you meet with a counselor. On successful completion, students may earn .5 Elective credit. The course fee is due within the first 5 days of the class/semester start **and/or** drop/add date.

Driving time occurs outside of the regular school day at times agreed upon with the instructor. When space allows, students may elect to take the course without paying the fee. In this case, they will not complete the driving portion of the class and will not meet the state requirements for licensing and/or insurance rate reduction.

Students who are primarily home schooled and would like to take the class during the school day: Will need to enroll at Corvallis High School and will need a minimum of 2 courses (including Driver Ed) to be considered for this class.

Students who are currently enrolled at another school or only wish to enroll in Driver Education: May sign up for spring or summer session only.

Class Date Announcement:

Currently enrolled Corvallis High School and Middle School students are given priority for class registration. Announcement for registration may be accomplished through Infinite Campus Messenger (portal, phone, email) or through our daily announcements. General public announcements will occur by posting on the Daily Bulletin on the High School website.

- Spring Session
 - Monday-Friday, 7-8:20 AM (classroom)
 - mid-April to June
 - registration in March
- Summer Session
 - Monday-Friday, 2 hour block, start/end time varies by instructor (classroom)
 - end of June to first part of August
 - registration in May
- Driving time occurs at times agreed upon with the instructor.

Class Registration:

Bring completed Registration Form with payment during appointed times. Corvallis students that have not paid by the due date may forfeit their space in class when the registration is open to the public.

Open Enrollment: Completed registration form should accompany payment in full in order to reserve space in the class. We do not accept registration or payment by mail. Students will not be allowed to take the spring or summer sessions without payment.

Cost: Cost of the Driver Education course is \$255 payable in cash, check or money order payable to Corvallis High School.
