Projet pour le Mardi Gras

Objective: Create a mask for Mardi Gras.

- 10 points for the end result. 3-colors, 3-design, 2-parameters, 2-effort
- Each mask must reflect the individualality of yourself but incorporate the spirit of Mardi Gras.
- It must cover the forehead down past the nose as a minimum.
- Each object must have at least the Mardi Gras colors in it: gold, purple, white, and green. Use construction paper & magazines.
- Create confetti to glue on with the hand-held hole punch and string from the sides of the paper cut into thin ribbons. Glitter is acceptable.
- Filmed at the end. Put onto the Webpage later on.
