OBJECTIVE: Create a Jester Hat for Mardi Gras.

- 10 points for end result: 3- colors, 3- design, 2- parameters, 2- effort.
- Each hat must reflect your individuality but incorporate the spirit of Mardi Gras.
- The band must be at least 2 inches wide and it must have 6 triangles (3 of each color). Triangles are at least 8 inches long.
- Each hat must have the Mardi Gras colors in it: gold, purple, white, and green. You may use other colors if you wish. Use construction paper and magazines to create the hat.
- Create confetti with the handheld hole-punch, and glue onto the hat. You may also use glitter. Glue or staple the wide end of the triangles to the inside of the hat. Tie bells onto the ends of the triangles.
- Filmed at the end. Put onto the Web page later on.
